

ADITI KUMARI RAY

Aspiring Equity Research Analyst

Delhi, India | 9289645684 | aditiraycapital@gmail.com | [LinkedIn Profile](#)

PROFESSIONAL SUMMARY

Finance professional with 2.8 years of experience at Religare Broking Limited, executing trades and advising HNI clients across cash equities, derivatives, and structured investment products. Skilled at reading market trends, assessing risk profiles, and translating them into portfolio decisions for an active book of ₹30 crore AUM. Backed by CFA-level rigor in fundamental analysis, valuation, and portfolio management — CFA Level I cleared, CFA Level II appeared (August 2026). Now looking to channel this market-facing experience into an Equity Research role centered on company analysis, financial modelling, valuation, and sector research.

WORK EXPERIENCE

Financial Advisor | Religare Broking Limited, Delhi

Aug 2023 – Apr 2026

- Coordinated daily equity trades and efficiently executed offline orders across cash and derivatives segments for HNI clients.
- Analyzed client trading behavior and risk profiles to advise on equity allocation, mutual funds, bonds, and structured investment products.
- Managed an active AUM of ₹30 crore, monitoring daily price action, market dynamics, and corporate developments to guide portfolio alignment.
- Maintained strong client relationship management, leading to expanded client portfolios and consistent performance through volatile markets.
- Advised on and distributed life and health insurance products, mutual funds, and unlisted shares.

Summer Intern | Sharekhan, Delhi

Jun 2020 – Jul 2020

- Completed an analytical project on "Study on Equity Market," examining market mechanics and fundamental trends.
- Gained early exposure to brokerage operations, retail trading patterns, and secondary equity research.

CORE SKILLS & TECHNICAL COMPETENCIES

- Equity Research & Valuation: Fundamental analysis, financial statement analysis, DCF and relative valuation concepts, fixed income, portfolio management concepts.
- Market Operations: Cash equities trading, equity derivatives (futures & options), offline order execution, trading behavior analysis.
- Software & Tools: Advanced MS Excel (financial modelling), MIS tools.
- Core Strengths: Problem-solving, customer relationship management, HNI client advisory.

EDUCATION & CREDENTIALS

CFA Program (CFA Institute)

- CFA Level I — Passed
- CFA Level II — Candidate (Appeared: August 2026)
- NISM Series VIII: Equity Derivatives Certification
